## IMPORTANT GOVERNMENT ORDERS

### EDUCATION SECRETARIAT

### Placing Mr. B. Jayaram Naidu, Medical Officer, Princess Krishnajammanni Sanatorium, Mysore, in-charge of all the Tuberculosis Institutions in the State.

READ—

Government Order No. 376-78—C. B. 58-42-7, dated 10th August 1943, directing that Mr. B. Jayaram Naidu be re-entertained in service as a Specialist on a pay of Rs. 750 per mensem in a special grade of Rs. 750—50/2—1,000 and posted as Medical Officer of the Princess Krishnajammanni Sanatorium, Mysore.

2. Government Order No. M. 4545-7—Med. 74-44-4, dated 17th November 1944, directing that the Lady Willingdon Tuberculosis Clinic and Dispensary at Bangalore and the Tuberculosis Hospital at Davangere be placed under the administrative control of the Medical Officer, Princess Krishnajammanni Sanatorium, Mysore.

ORDER No. 1707-8—C.B. 94-47-1, DATED BANGALORE, THE 24TH SEPTEMBER 1947.

The Policy Committee for Public Health have, under the Post-war Development, recommended the following schemes:—

1. Establishment of a well equipped and up-to-date Tuberculosis Sanatorium in Bangalore.
2. Tuberculosis Survey in Mysore, Bangalore and Tumkur Districts.
3. Providing Tuberculosis Wards as annexes to all the District Hospitals.
4. Establishing Tuberculosis after-care Colonies.
5. Improvement to the Princess Krishnajammanni Sanatorium, Mysore and provision of additional beds.
6. Sanctioning additional equipment and staff to the existing Tuberculosis Hospitals and Clinics.
7. Deputing Medical Officers to foreign countries or Indian Universities for specialising in Tuberculosis work.

Some of the above schemes have already reached the stage of completion and others are under the sanction of Government. It is considered that the planned development of Tuberculosis work and the expeditious execution of the various schemes would be greatly facilitated if the work relating to this section is placed under the independent charge of an officer.

Government are, therefore, pleased to direct that Mr. B. Jayaram Naidu, Medical Officer, Princess Krishnajammanni Sanatorium, Mysore, be placed in-charge of all the Tuberculosis Institutions in the State and that his pay be raised to Rs. 1,000 per mensem with effect from 26th August 1947, in addition to the allowances which he is drawing at present.

The District Hospitals which are under the control of the Senior Surgeon, the tuberculosis wards and any annexures made and to be made and any developments made, either in respect of tuberculosis or any other speciality at District Headquarter Hospitals, will continue to be under the administrative charge of the District Medical Officers under the direction of the Senior Surgeon.

### REVENUE SECRETARIAT

### Orders the Enhancement of Potgi to Shanbhogs and Patels by a further four annas in the Rupee with effect from the year 1946.47.

READ—

Government Order No. R. 23-77—L.R. 69-42-5, dated 16—18th October 1942, directing that the Potgi to Shanbhogs and Patels be increased by four annas in the rupee.

ORDER No. R. 3919-4007—L.R. 155-47-1, DATED BANGALORE, THE 24TH SEPTEMBER 1947.

Representations have been made recently urging that the Shanbhogs and Patels may be given a further increase in the remuneration paid to them in view of the increase in the cost of living. The subject was also discussed at the last Budget Session of the Representative Assembly and an assurance was given that the question would be examined. In consideration of the prevailing high cost of living, Government are pleased to direct that the potgi to Shanbhogs and Patels be increased by a further four annas in the rupee, calculated on the basis of the potgi fixed at the last potgi settlement, with effect from the year 1946-47.

2. A demand for a supplementary grant to the extent of the expenditure involved, will be placed before the Legislative Council, if necessary.
